### Spaulding Youth Center Celebrates Front-Line Staff with Campus Parades

Northfield, NH – Spaulding Youth Center is excited to share footage from their recent campus parades to celebrate the front-line staff who continue to support our residential students on campus. Click here to watch our highlight compilation: <https://youtu.be/kLCRqt8jTbU>

Like many who are working the front lines during this pandemic, our staff are leaving the safety of their homes to report to work. Every day, our front lines provide 24/7 care and attention to our residential students. This includes helping students with their education, meals, showers, playtime, bedtime stories, and much more. Because of the devoted staff, our children feel safe and supported during this uncertain time.

“Spaulding staff have always been known as extremely dedicated and passionate about the care for the children and families we support,” said Susan C. Ryan, President & CEO of Spaulding Youth Center. “During this extremely challenging time in the world, these incredible individuals have continued to inspire and engage both the children who remain on our campus during the pandemic as well as those students who are tackling remote learning. Prior to this virus crisis, I could not imagine feeling more pride for our organization and staff, but their efforts over the past two months are truly heroic.”
