Spaulding Academy & Family Services is a leading provider of educational, residential, therapeutic and foster care programs and services for children and youth with neurological, emotional, behavioral, learning or developmental challenges, including Autism Spectrum Disorder and those who have experienced significant trauma, abuse or neglect. With a legacy beginning in 1871, our scenic hilltop campus is located on nearly 500 acres in Northfield, NH and welcomes boys and girls from ages 4 to 21 from around the state of New Hampshire and beyond.

Spaulding Academy & Family Services

- Managed by a President/CEO and Executive Management Team with governance provided by a Board of Directors.
- Our legacy began in 1871 as the New Hampshire Orphans Home and School for Industry, which later was renamed as the Daniel Webster Home. In 1958, this organization merged with the Golden Rule Farm (Est. 1914) to become Spaulding Youth Center. To best represent the evolution of available programs and services, the organization became Spaulding Academy & Family Services in 2020.
- Funding primarily provided from referring school districts, Division for Children, Youth and Families (DCYF), Dept. of Education (DOE) and counterpart agencies from other states.
- The Spaulding Youth Center Foundation Endowment was founded in 1986 to raise funds to support the programs, values and goals of Spaulding Academy & Family Services, its sole beneficiary.
- Private donations and grants from individuals, foundations and community organizations help fund activities, projects and programs that directly benefit the children in our care, which are not afforded through public funding.

Since 1871, we have supported over
