Spaulding Academy & Family Services is a leading provider of educational, residential, therapeutic and community based programs and services for families, and children and youth with neurological, emotional, behavioral, learning or developmental challenges, including Autism Spectrum Disorder and those who have experienced significant trauma, abuse or neglect. Established in 1871, Spaulding Academy & Family Services is a tax-exempt 501(c)(3) nonprofit that was formerly known as Spaulding Youth Center since 1958. Our scenic hilltop campus is located on over 500 acres in Northfield, NH and welcomes boys and girls from ages 4 to 21 from around the state of New Hampshire and beyond. In addition to programs provided on our Northfield campus, Spaulding's community based programs include foster family licensing, Individual Service Option (ISO) foster care, ISO in-home services, child health support services, and more for children ages 0 to 21 and their family.

Spaulding Academy & Family Services

- Managed by a President/CEO and Executive Leadership Team with governance provided by a Board of Directors.
- Our legacy began in 1871 as the New Hampshire Orphans Home and School for Industry, which later was renamed as the Daniel Webster Home. In 1958, this organization merged with the Golden Rule Farm (Est. 1914) to become Spaulding Youth Center. To best represent the evolution of available programs and services, the organization became Spaulding Academy & Family Services in 2020.
- Funding primarily provided from referring school districts, Division for Children, Youth and Families (DCYF), Dept. of Education (DOE) and counterpart agencies from other states.
- The Spaulding Youth Center Foundation Endowment was founded in 1986 to raise funds to support the programs, values and goals of Spaulding Academy & Family Services, its sole beneficiary.
- Private donations and grants from individuals, foundations and community organizations help fund activities, projects and programs that directly benefit the children in our care, which are not afforded through public funding.
