## Student writers celebrated at Spaulding Academy & Family Services Authors Tea

NORTHFIELD — Every fall, the students of Spaulding Academy & Family Services spend weeks creating their own literary works. From idea conception and writing to illustration and production, the students become book authors. The recent 2022 Authors Tea event brought families, friends, and teachers together on campus so students could share their books while enjoying cookies and tea.

This year's book topics included student-crafted fairy tales, how to be a friend, the basics of coding, acrostic poems, and Choose Love curriculum "Courage" characters. Copies of each book are made for the library for stu-

dents to enjoy as free reading choices.
