## Spaulding Academy & Family Services celebrates science

Spaulding Academy & Family Services in Northfield recently held its annual Science Fair, a community building academic event. Children researched scientific topics and prepared displays and reports to present to family, friends, and Spaulding staff. Each child earned medals and ribbons for their hard work. This event was a great way for the Spaulding Family to come together to learn and grow in a collaborative, supportive environment. For more information about Spaulding Academy & Family Services, visit [SpauldingServices.org](https://spauldingservices.org).
