Spaulding Academy opens adaptive playground

Spaulding Academy & Family Services recently held the grand opening of its adaptive playground, which officials said is a significant milestone for inclusive play opportunities in New England.

The new playground is one of the largest in the region with over 10,300 square feet of play area. The academy worked with Miracle Recreation, a playground manufacturer in Missouri, and Pettinelli & Associates, a playground equipment supplier in Williston, Vt., in building the playground.
